**BRIAN PROFFIT JOINS CTC TECHNOLOGY & ENERGY
AS SENIOR DIRECTOR OF STRATEGIC BUSINESS DEVELOPMENT**

Kensington, MD (September 15, 2015) – CTC Technology and Energy (CTC) of Kensington, Maryland announced today that Brian Proffit has joined the firm as Senior Director of Strategic Business Development. Proffit comes to CTC from Zayo Group, where he served as Director of Research & Education Solutions.

A 15-year veteran of the telecommunications industry, Proffit has focused on federal, state, and local government clients' telecommunications needs in previous roles at Level 3, TelCove, RCN, and XO Communications. Prior to his work with carriers, Proffit was president of Profitable Solutions, a firm specializing in public safety wireless communications infrastructure.

About CTC

CTC Technology & Energy is an independent communications and IT engineering consulting firm with more than 30 years of experience. We work at the highest levels on cutting-edge communications networking projects for public sector and non-profit clients throughout the U.S. Current projects include long-term fiber optic and wireless regional communications interoperability initiatives in the Washington, D.C. area funded by the U.S. Department of Homeland Security; design and implementation of wireless networks; and engineering design, business modeling, and project oversight for broadband networks.
